(b) The Clerk submitted details of Parish Council spending for the period 1 April 2009 to 9 March 2010.

It was noted that each Committee budget was in a healthy condition. The Clerk pointed out that £7,000+ should be ring fenced in connection with the bus shelter and it was likely that an amount up to £2,500 would be needed to complete the Parish Council's commitment to the Village Walk (Blackwater to Silver Street) bridleway.

Mr Boyes asked that consideration be given to carrying over the remaining amounts from each Committee budget to the following financial year.

**RESOLVED:** That, after finalisation of the accounts for the financial year April 2009 to March 2010, committee and administration budgets be carried forward to the financial year April 2010 to March 2011.
