***Please return to John Charlesworth at Lyndhurst Community Centre, by October 25th.***

We are asking everyone for their opinions about Lyndhurst to help us plan for what we would like to happen to Lyndhurst in the future. Please use the back of this form to add ideas from others in your household. We especially would like to know what your children think (please include their ages to help us). If you would like to be involved or want to know more about this exciting project please look at our website or contact:
