Please do not allow this to deter you from calling us though as we would sooner investigate than not attend at all. This shouldn't put off people from calling as it's always best to call the police.

### Burglary

While the occupiers were away on holiday their home in Woodlands was broken into and cash and

jewellery was stolen.

They also found the car keys and a Sat Nav was stolen. Luckily they didn't steal the cars.

Also in Woodlands a tack room was broken into but nothing was stolen.

### DAMAGE

The skate board ramp in Colesmead recreation ground has been damaged again.

It is a shame that some people want to spoil the enjoyment others get from the ramp.

If you have any information that will help identify the offender(s), please contact us.
