## LIFELONG LEARNING

### **VOLUNTEERS**

Age Concern Hampshire began teaching the Over 50's how to use a computer back in 1999. In 2015, the need is changing and increasing. All local authority payments are due to be on-line only and benefits and entitlements will also need to be applied for in this way.

**We are looking to recruit** additional volunteer ICT Tutors in many parts of Hampshire, especially in the North and the New Forest, in order to support these changes & challenges. Can you help? If you are IT literate, patient and willing to support older people we want to hear from you. A teaching background is not essential but would be useful. Commitment is usually one morning or afternoon per week.
